≡WHAT'S ON THE HORIZON≡

Principal's Message

I can't believe it is March!!

Swimming is almost over and music therapy as well. Semester 2 is well under way and we are planning for Graduation on June 14 in the afternoon.

We hope that Spring takes all of the winter bugs away and sickness is a thing of the past for a few weeks. Thank you all for your cooperation in keeping your children home when they are feeling unwell. It keeps our staff healthy and able to work with your amazing children.

As a first year Principal I will be asking for feedback from all of the school community members (parents, staff and possibly students). Please keep your eyes open for a survey as I really look forward to the feedback and opportunities to grow as a school leader. Some of you may even receive a phone call from my boss!

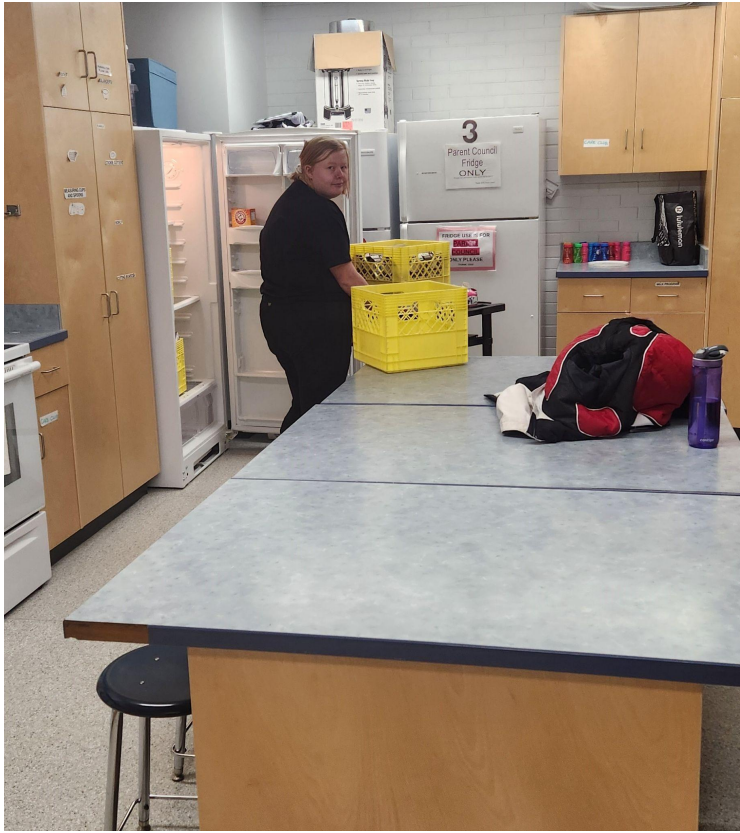

I am so excited for my first graduation as principal in June. It is one of my favourite days of the year. All of the students and staff have been working so hard to make sure all of the requirements for graduation are fulfilled.

Please enjoy all of the lovely weather that I am confident is coming in the weeks ahead. Easter and Spring Break will provide some recharge time for students and staff so we can focus and finish the school year on an incredible high!

Enjoy all of the pictures to follow!

Coralie Mobley
